SSI-CG connects building controls, equipment data and operator views. We plan interfaces around the facility, then support startup checks, documentation and owner handoff.

BAS & HVAC CONTROLS

Equipment monitoring, alarms, trends, schedules and HVAC control sequences. BAS integration, low-voltage control wiring and existing-system updates.

NAICS 238210 - electrical / low-voltage controls

SECURITY & ACCESS

Badge and keyless entry, door integration, visitor access and time-based permissions. Plan access needs and document operation for the owner.

NAICS 238210 - wiring / system installation

FACILITY CCTV

Camera coverage for entrances, common areas and building exteriors. Remote viewing, event review and clear camera and access documentation.

NAICS 238210 - wiring / system installation

CUSTOM CONTROLS & SCADA

Operator screens, dashboards, custom logic, equipment status and reporting. Connect system information for operation, maintenance and follow-up support.

NAICS 541512 - systems integration
